

Ballot for 2024 FINANCE TEAM. . . . Vote for 2 people for a 3 year term each

_____ **Mike Derringer**

My wife Alison and I have attended ECC since 2018 and became members earlier this year. We have four daughters, Miranda, 11, Colleen, 7 and Audrey and Faith who are in Heaven with our Lord. I serve Preble County at the Educational Service Center and oversee three departments - Supervisor of the Multiple Disabilities classrooms, Supervisor of the Disciplinary Alternative Education Program, and Principal of the Success Academy. Since accepting Christ into my heart in 1997, I have been active in numerous congregations all across the state of Ohio wherever my career has taken me. At ECC, I have helped with summer programming for three years and two of the dramas. My arms are open to serving where ECC needs me to serve.

_____ **Kent Hamilton**

My wife, Brenda, and I have been attending ECC for over 16 years. We have two grown children, Kelly and Kyle, and have seven grandchildren. Brenda and I have been active in ECC ministries and we are currently involved as teachers in the Children's Ministry and leading our Life Group. During our time at ECC, I have also served in Worship Arts and as an Elder. I accepted Christ as my savior during my senior year in High School. A lifelong resident of Preble County, I graduated from Twin Valley South, have a Degree from General Motors Institute and am an owner of Opti-Vise, LLC here in Eaton. We as Christians possess the truth of the hope that is in Christ Jesus. My desire for ECC is that we would be a body of believers dedicated to using all we have to proclaim the Truth, so that others may find that Hope which only Christ can give.

_____ **Laura Kuhn**

I was born and raised in West Alexandria where my husband and I live with our 3 children. I'm currently employed as a Business Services Manager for a local CPA firm and also have extensive experience in Retail Management. We began regularly attending ECC in 2014. After I accepted Christ in 2015, I became more involved in the church serving in both Children's Ministry and with the Worship Team in media. I continue to serve in both capacities. One of the most life-altering serving experiences I have had is the privilege of working with the leadership team for our summer program, Adventure Week, formerly SSS.
